1980 Red Coat

Round-Up Nov. 14 - 15

The 1980 Red Coat Round-Up, an annual deer hunting contest sponsored by the Grayling Regional Chamber of Commerce, has been set for the 14th and 15th of November according to chairman Cal Walls.

Walls said this years round-up will feature cash prizes in several categories. The grand prize will consist of \$50 each for the largest rack and for the heaviest buck. Cash awards will also be made to the first 10 bucks to be hung on the pole located in the City Park. Walls stated that he believed this years contest would have more participants and probably more bucks taken than in previous years due to an increase in the deer population in the Crawford County area. Last years light snowfall reduced sharply the normal winter kill enabling the area to have one of the best populations in recent memory.

Walls, who is the owner of a Grayling Sport Shop, said a new twist to this years event will be the addition of a 50-50 Drawing that will be held at 6 p.m. on the 15th. Depending on participation the winner could go home with several hundred dollars.

Hunters may register at the Chamber of Commerce office in Grayling or at several area businesses. All registrations must be in by 11:59 p.m. on the 14th of November. For further information contact the Grayling Regional Chamber of Commerce at (517-348-3336 or 348-7315).

GHS Fall Play Nov. 13, 14, 15

The Grayling High School Players will present their fall drama, "Summertime," this Thursday, Friday, and Saturday, November 13, 14, and 15, in the Joseph Stripe Auditorium at Grayling High School, at 8:00 p.m.

Tickets, at \$2.00, can be purchased at Flowers by Josie, The Grayling Mercantile, and Mac's Drugs, or from any of the cast members. They will also be sold at the door on the nights of the performances.

Police Probe Shooting Death

A City Police investigation is continuing in the fatal shooting of a 39-year old Grayling woman whose body was discovered in her southside home last Wednesday morning.

According to Grayling Police Chief Pete Stephan, Kathryn Elizabeth Reynolds, 301 Brink Street, died of a single gunshot wound to the neck, her body discovered about 10:00 a.m. November 5th by friends who had stopped by to visit.

The shooting occurred sometime between 10:00 p.m. Tuesday evening and early Wednesday morning, Stephan said. The weapon used was a single shot, 20 gauge shotgun.

Police have not ruled out the possibility of foul play in the woman's death, and are being assisted in the investigation by Michigan State Police Crime Lab investigators.

Crawford and Wexford County Sheriff's Departments are also aiding in the probe, Stephan indicated, as well as detectives from Region 10.

Property Damage Accidents Top Police Report

Eleven property damage accidents headed the police report last week, and a pair of chimney fires prompted Sheriff Joe White to issue another call for residents to safety-check furnaces and chimneys before the full onset of winter.

In other police activity, deputies investigated five incidents of malicious destruction and the same number of larcenies during the week. Four breaking and entering cases were also reported.

Deputies were called out to investigate seven incidents of suspicious activity and two incidents where disturbances were quelled. One personal injury accident occurred and a DUIL recorded. Other complaints involved prowlers, threatening phone calls, assault and traffic complaints. General assistance was provided on two occasions and the department aided the city police in the investigation of a shooting incident in which a Grayling woman was fatally injured (see related report).

The fire department was called to wash down spilled airplane fuel and the ambulance made one run during the period.

Launch "Operation Identification" Program

Citizen involvement in stepped up crime prevention programs can go a long way toward reducing crime in Crawford County.

To that end, Crawford County Sheriff Joe White this week announced specific programs aimed at preventing breaking & entering in the county. B & E is our number one problem, and the individual citizen is the most essential element in it," White said, "join Operation Identification-mark portable items, borrow an electric engraving pen from the Sheriff's Department. Take the next step and ask the Sheriff's Dept. how you can protect your home."

For more information and assistance on crime prevention, call your Sheriff's Department, 348-6341.

St. Mary's X-mas Bazaar Nov. 21-22

St. Mary's Altar Society is sponsoring a Christmas Bazaar at the Family Center November 21 and 22 from 11 a.m. to 4 p.m. We have many arts and crafts, Christmas decorations, a fully-loaded bake table, and a special corner for kids to buy inexpensive gift-wrapped presents for the entire family.

Lunch will be served from 11 a.m. to 2 p.m., so that those who work can shop with us, too.

There will also be a drawing for several fine prizes, including a full-size quilt, an original oil painting, 2 afghans, 2-\$25.00 grocery gift certificates, a pine-cone wreath, and a story-book doll. The drawing will be held on the 22nd, and tickets are available from any Altar Society member, or at the door.

St. Johns Lutheran Bazaar-Bake Sale

The Ladies of St. Johns Lutheran Church will hold a Bazaar and Bake Sale at the Church, located at 710 Spruce St., on Saturday, Nov. 15. The sale will begin at 10 a.m. and close at 5 p.m.

The wares on display will include macrame items, handmade Christmas gifts, and decorative items. There will be many types of fine baked goods for sale at reasonable prices.

While you are browsing at the sale, take a few minutes to enjoy some coffee and delicious danish apple cake.

IT'S A DRAW!—Maple Forest Township Supervisor candidates, Democrat Robert Murphy (left), and Dean Molnar are shown drawing lots last Friday to decide the winner after the two tied in the general election with 78 votes apiece.

Murphy was the winner in the drawing which was supervised by Edith Kerr (center), Board of Canvassers Chairman, and County Clerk Leo Lovely. (Joe Schrader photo)

Deer Hunter Traffic Heaviest Since '75

Northbound traffic the day before the firearm deer season opens on Saturday (Nov. 15) should be the heaviest in five years, but hunters should encounter few travel problems, according to Automobile Club of Michigan.

"This is the first season since 1975 that opening day will fall on a Saturday," explained Auto Club Touring Manager Joseph Ratke.

"And despite rising gasoline costs and a trend towards increased pressure in southern Michigan, most of the state's 700,000-plus orange army will be heading for the northern two-thirds of the state on Friday, (Nov. 14)," Ratke said.

State Department of Natural Resources officials predict that

approximately 80,000 buck deer will be taken over the 15-day season. That total is about 10 percent below last year's due to population drops caused by the harsh winters of 1977 and 1978. In all, nearly 118,000 buck and

Grayling—Grayling's link with Detroit is stronger than most people would think. RDI, Inc., one of Grayling's leading industries, is tied directly to the auto industry in Detroit.

RDI, with a payroll of almost \$500,000, produces dozens of parts for General Motors and Ford. Last fall, when car-sales were up, RDI employed 80 persons. Currently, with a slump in car sales, RDI employs 35 persons.

"We're on a holding pattern right now," said Ray Schuster, owner of RDI, along with Ray Priebe, of Grayling, and Top Cornell, of Clarkston. "We could go out looking for other business, but if auto sales jump, we would have too much work on our hands."

Priebe started RDI, then called LP Plastics, in 1973. Schuster and Cornell bought in two years ago, and last fall the company moved into its present location at the M-72 West Industrial Plaza. About \$2 million worth of equipment, including ten injection-mold machines, operate within the former Bear Archery plant walls. One machine shoots 20,000 high frequency sonar beams a second to mold plastic parts together.

Schuster said the heart of the business, however, is the tool room where the molds to mass-produce parts are made.

"That's where we have the competitive edge over comparative-sized companies," he said. "Most companies our size don't have the technology to

Redcoat Invasion This Weekend

by Joe Schrader

Department of Natural Resource officials are bracing for the invasion of "red coats" this weekend, and predict good hunting for locals and visitors throughout the 16-day season.

"The deer herd is healthy and it should be a good season," said DNR Wildlife Specialist Don Smock, who has observed a lot of deer in his travels through the county. Smock said bow-hunter reports indicate a large crop of whitetails roaming the area, particularly in the oak stands where acorns are abundant and deer rubbings are prevalent.

Smock said last year's mild winter was good for the herd, healthier now after being ravaged during the previous, more severe winters. "Another mild winter this year should make next year a great one for hunters," Smock predicted.

Hunters will take to the woods in private and public areas throughout the county in what is expected to be record numbers this year. Approximately 230,000 acres of state land are available for the redcoats to invade, the number of nimrods expected to be up because of free time created by high levels of unemployment in the metropolitan areas.

DNR employees will be on hand at the local fish hatchery office throughout the season, where hunters are encouraged to register their deer and receive a "successful hunter" patch as a memento of their success.

Unclaimed dead deer will be brought to the DNR center where they are dressed and available to those in need. Smock said, and officers will also be available to assist hunters with questions about hunting locations in the area.

O.E.S. Bake Sale and Bazaar

Lots of goodies and other bakery goods will be sold at the Order of Eastern Star Bake Sale and Bazaar with White Elephant table starting at 10 a.m. until 7 p.m. at the Masonic Temple Hall on Friday, November 14th.

Two kinds of homemade soup, sandwiches and beverage are available at a luncheon for \$2.25. The luncheon will be served from 11 to 2.

O.E.S. members invite the public to come out and enjoy lunch while shopping for baked goods and bazaar items.

OPENER SATURDAY—Wildlife Specialist Don Smock shows the patch successful hunters will receive when registering deer at the DNR office this season. Opening day is Saturday, the 15th, and an influx of redcoats is expected in the area. (Joe Schrader photo)

Canvassers O.K. Election Results

by Joe Schrader

Republican Ronald Reagan easily outdistanced President Jimmy Carter, 2652 to 1826 amongst voters in Crawford County, in a general election that saw 69% of eligible County voters head for the polls. American Independent candidate John Anderson was a distant third with 390 votes.

As reported in last week's issue, incumbent Republican Leo Lovely captured the County Clerk/Register of Deeds post, Democrat Joseph White retained his sheriff's job and Republican John B. Huss won over incumbent Prosecutor, Alton T. Davis.

Republican County Treasurer Joseph Wakeley, running unopposed, gathered 3730 votes and GOP candidate Norman Parker outdistanced Bernard Maurer to win a spot on the Road Commission Board.

Reagan's victory was accompanied by significant Republican senatorial victories across the country that gave the party control of the U.S. Senate. The GOP also gained 33 seats in the House of Representatives.

County voters gave Republican U.S. Congressman Robert Davis 3344 votes to just 918 for his democratic challenger, Daniel Dorrity. Davis retained his congressional post. Ralph

Ostling, 103rd District State Representative, who also won re-election, polled 2701 county votes to Bill Brauker's 1906.

Beaver Creek Township voters gave incumbent 10th District U.S. Congressman Don Albosta, 224 votes in his close win over challenger Richard Allen, democrat, who gathered 146 votes.

In the only contested County Commissioner races, in District 5, Walter Nowak triumphed over Donald Welser to claim the seat and in District 7, Andie Neilson posted a victory over Linda M. Harder and Jerry M. Krayes.

In other local ballot matters, Proposition One, a 1/10 mill levy for four years to sponsor Senior citizen programs was OK'd by county voters, however Frederic Township turned down by a narrow margin a millage increase to fund fire department operations.

Here are the final results in the contests for the various

G.O.P. to Meet

The Fall Crawford County Republican Convention will be at 7:30 p.m. on Nov. 19th at the Art Thayer residence, 408 Plum St., Grayling.

All concerned Republicans are urged to attend.

Boy Scouts Conduct Paper Drive

The Boy Scouts of Troop 997 are conducting a paper drive. The County Garage on M-72 East will be open from 10 a.m. to 2 p.m. on Saturday, Nov. 15th for you to drop off your newspapers.

The boys would appreciate your helping them with this paper drive.

SECOND GRADERS ELECT—Ronald Reagan was a clear winner amongst registered voters in Mary Jane Knibbs' second grade class at the Grayling Elementary School.

The mock election held November 4th was part of a social studies exercise by the students, who gave Reagan 14 of the 28 ballots cast. John Anderson received seven votes and President Carter only four.

Pictured at the polls are (from left): Todd Neely, Julie Jensen, Tony Diponio and Erin Bind-schattel (both seated), Claudine Allen, Truman Potter, Todd Millikin and Tracy Welch.

The election procedure required proper voter registration and other official balloting procedures. (Joe Schrader photo)

Arthur and Merle Carlson, LeRoy and Loretta Christian, and Ray and Mable Root of Battle Creek have returned from a three-week trip to Hawaii and California. The trip was to celebrate the Christians 35th wedding anniversary, the Carlsons' 34th and the Root's 31st. They spent an afternoon with Arthur's brother and wife, the Raymond Carlsons in Honolulu and visited three outer islands, Maui, Hawaii, and Kauai.

In California, they visited Disneyland, took in the Merv Griffin show at which they saw Phyllis Diller and Bob Hope and the Lawrence Welk shows where he serenaded all of them on their anniversaries. They drove to San Francisco visiting Heart Castle enroute and sight-seeing before flying back to Chicago.

What's this about a truck going through the caution light with no license plate, Bob?

David Funk, son of Mr. and Mrs. Edwin Funk, is attending Ferris State College.

Residents in the area of Plum Street and Ogema Street were treated to an unusual sight last week when two cock pheasants walked down the street for about two blocks and then flew off.

The Arthur Carlsons and LeRoy Christians stopped at the Olsons in Lawton enroute to Chicago and were met there by the rest of their family. Celebrating his third birthday was Bradley Olson, son of Tom and Christine Olson. Joining the family were Robert and Cindi Graham of Petoskey and Rod and Julie Powers of Hart.

Attention Cub Scouts

Are all you Cub Scouts and fathers ready for the big cake bake? Remember no box cake and no larger than a 13 x 9 x 2 1/2 in size.

This event will take place at our next Pack Meeting which will be on Nov. 19th at 7 o'clock at the Elementary School Gym.

The best of luck to all.

Our Halloween Party held at the Legion Hall on Oct. 31st was a great success. There was a rough estimate of 150 people there.

We all had a super time. Winners of the costume contest were as follows: Grand Prize-Danny Jurkovich; 1st prize-Scott VanDeVen; 2nd prize-Todd Cullen; 3rd prize-Todd VanDeVen. The judges said it was a tough decision because everyone had done such a good job. Now who can guess what happened to Mrs. Karen Golinick. Did she fall in the tub of water on purpose or was she pushed? Appreciation goes out to Mrs. Pam Cowie and all those who made this party such a success.

antlerless deer should be bagged by Nov. 30.

"The only traffic problem hunters may face is along I-75 near the Zilwaukee Bridge north of Saginaw," Ratke said.

Periodic slowdowns could result both north and south of the span, where three lanes of traffic merge into two. To help cut the possibility of further jams, Saginaw River shippers have been asked to voluntarily restrict movements causing bridge openings during peak traffic hours Nov. 14 and 16.

Auto Club predicts that northbound deer hunter traffic should be heaviest between 2 p.m. and midnight Friday (Nov. 14) and 5 a.m. and 5 p.m. on Saturday (Nov. 15). Southbound hunters on Sunday (Nov. 16) will find heavy traffic between 2 and 11 p.m.

While hunter-vehicle crossings have been dropping in recent years, Mackinac Bridge officials expect volume to nearly equal last year's total of 18,000 before the season ends on Nov. 30.

Auto Club reminds hunters that they must wear either a hat, vest or coat of blaze orange to hunt public lands.

Auto Club will provide traffic bulletins via radio for traveling hunters between 8 a.m. and 11 p.m. on Friday (Nov. 14) and from 8 a.m. to 6 p.m. Saturday (Nov. 15) in addition to its weekly road condition reports from 2 to 11 p.m. on Sunday (Nov. 16).

Monday Service For Katherine Reynolds, 39

Katherine Reynolds, 39, of Grayling passed away at her home November 4, 1980. Funeral services were held Monday, November 10, 1980 at 10:00 a.m. from Sorenson Funeral Home with Rev. William Rabior officiating. Interment was in Elmwood Cemetery.

Mrs. Reynolds had lived in Grayling for seven years and was a homemaker.

She is survived by three sons, John Aversano stationed in Kentucky, Michael and William Aversano both of Grayling; two daughters, Donna and Sandra Reynolds both of Grayling; a sister, father, Harry Wrigley; a sister; two brothers and her grandfather.

make the more delicate parts."

Additionally, one of the owners, Cornell, spends most of his time in Detroit assisting with the design of new auto parts. "Half the time we know what new part is coming out before the buyer contracts us to make it for him," Schuster said.

RDI meets all the requirements set by General Motors and Ford to produce parts and is considered a prime manufacturer rather than a manufacturer who only handles overflow orders like most companies their size. Auto parts and archery gear (although they produce less now that Bear Archery has moved from Grayling) amount to 99 percent of RDI's business.

The auto parts RDI makes range from carburetor head plungers to parts for horns. Many of the 75 products RDI currently makes are plastic retention clips used throughout a car.

"It's getting to be a plastic world," Priebe said. "In ten years, experts say demand for plastic products will double."

Car manufacturers are already turning more and more to plastic parts to increase fuel efficiency. Light-weight and sometimes smaller plastic parts mean less horsepower is needed.

Fulfilling orders for auto parts can take months of preliminary work for RDI. First, RDI submits price quotes for building the toolmolds for the part to be manufactured and raw materials to be used. Next, RDI designs a plastic tool-mold, duplicates this into a metal mold, and finally sends in samples of the part.

Although designing an extricate mold for a small clip may take 12 to 16 weeks, Priebe said maintaining the tool-molds and the injection-mold machines, which can produce up to a 1,000 parts an hour, can be the hardest part of the job.

Priebe, who has managed various tool-shops for over 15 years, said his Grayling tool shop is the best one he ever had because of excellent employees.

From Our Corner ...

Another hunting season opens up this coming weekend that should give a boost to the economy of Crawford County and points north...the red coats, or should we say orange now, will be invading the county in quest of the wily whitetail...this should be a very good opening as it falls on Saturday for the first time in five years, which is much better than a middle of the week opening...projectionists call for an overwhelming onslaught of hunters this year...

We can remember a long time ago how mainstreet would be flooded with hunters the first three or four days of hunting, possibly we can look forward to that this year...there wasn't too much to the color tours this fall...in fact we can't remember if we did have fall this year, the weather has been that nasty...and to think September and October are suppose to be the north country's most pleasant weather...about all that is left is think snow...and to think the only thing we do with it is shovel, we're not the outdoor type...

This turkey is going to be hard to fill this week...we can tell that right now after sitting for the past fifteen minutes at ol' Smitty and nothing is materializing...wish Irv was here, he's always good for a few stuffin' remarks...

An idle thought...Do you want a shock? For you late shoppers there is only seven weeks until Santa comes to town...just thought you would like to know...ho ho ho!!!

We mentioned last week how well behaved the majority of Grayling's youth were on Halloween...it is not so in all towns. We were in Traverse City Sunday afternoon for a visit with Toni, T.J. and Stef and while there Toni was telling about a six year old girl being beaten by two boys who stole her candy, the little girl was with her 10 year old sister who couldn't help...things like this that happen make us happy we live in a small town, at least that kind of hoodlums are not as prevalent here...

The Presidential election is now a thing of the past, no more mud slinging and promises by the statesmen on TV...it is almost a joy to turn on the tube in the evening...for posterity, let us put in this little tid-bit...

This was the earliest that a President of the United States, or candidate that conceded defeat as early as President Carter did last Tuesday when he threw in the towel around 8:30 p.m. Tuesday evening...and from some reports we understand he was told Monday evening that he had no chance for re-election based on polls that were being taken...this election will possibly go down in history as one of the biggest upsets (if you want to call it an upset) other than when President Truman defeated Gov. Thomas Dewey when the Chicago Tribune had to call back some 300,000 papers because they had the front page streamer stating that Dewey had won...

An idle election thought...one thing is for certain, the next four years can't be worse than the last four we are just finishing...

This about fills this turkey tonight...have a nice weekend and if you're a hunter, good luck in stalking...be sure before you shoot, and have a safe, sane hunting season...for the non-hunter...just have a nice weekend...

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO.

23 Years Ago

The 1957 deer hunting season gets underway on Friday and experts of the Conservation Dept. see a higher kill from a slightly increased herd.

About 430,000 hunters are expected afield Friday which is the normal number to usually open the season. Last year about 215,000 hunted in the northern lower peninsula with 3,200,000 opening the season in the upper and the remainder hunted in the southern part of the state. Just what the new Mackinac bridge will do to the distribution of hunters this year is anybody's guess.

With a good ground cover of snow and given a clear sky on Friday, hunters should bring in a large number of bucks.

Mr. and Mrs. LeRoy Christian are the happy parents of a son, Paul Joseph, born November 6. He weighed 8 lbs. 12 ozs. His grandparents are Mr. and Mrs. Joseph Frisco, Phoenixville, Pa.

Mr. and Mrs. Fred Niederer, Jr. had a son, Philip Lee, born on November 10. He weighed 7 lbs. 1 1/4 ozs. on arrival. His grandparents are Mr. and Mrs. Fred Niederer, Sr. and Mr. and Mrs. Clarence Small, Sr.

Mr. and Mrs. Franz Kerch of Roscommon had a daughter, November 11.

Mr. and Mrs. Robert Nelson of Roscommon had a son born November 10.

Mr. and Mrs. Jack Trudgeon and family were given a surprise housewarming party Saturday night, and presented with a gift. Those taking part were the Frank Bonds, the Bruce Smith, the Robert Bovees, the Dr. Ralph Hoffmans, the Dick DuBois, the Harry Sherrys, the Joseph Stripes, the Alvin Dasens, Mrs. Ernest Borchers and son Don. Games were played during the evening, and a luncheon was served.

Mrs. Wilfred Laurant and baby Cindy Lee were the guests of honor at a shower given at the William LaGrow home last Thursday evening. Miss Connie LaGrow, Glada Jansen, Diana Bassett and Mary Ann Cinciala were the co-hostesses. After Mrs. Laurant opened her many useful and lovely gifts, a social evening was enjoyed by the fourteen guests present. Refreshments of jello, coffee and tea accompanied the cake shaped in the form of a pair of white bowties trimmed in pink. The cake was made by Miss Glada Jensen.

Miss Bonnie Kay Borchers entertained 24 teenagers at her home Saturday a week ago. The part was a "hobo" party, and all came dressed accordingly. Jim Kolka, Phil Woods, George Quinn, Ted Hausmann, Glenn Sawyer and Bob Dean bowled in the mid-state classics Saturday at Lansing.

Mr. and Mrs. Clarence Roberts, daughter Jean and son Mike, and Mr. and Mrs. Eugene Papendick crossed the Straits bridge Sunday before last.

There are few things more tantalizing to a man than to go home with something on his mind he wants to scold about, and find company there, and be obliged to act agreeably.

Misses Fern Armstrong, Ona Lozon, and Mrs. Calvin Church and brother Wayne Carpenter spent Sunday in Bay City. On

their return they were accompanied by Mrs. Millie Bosworth who had been spending a few days there.

Quite decided contrast is experienced in weather conditions this month from that of November of last year. A year ago we were having real winter weather, which really started about October 17th and on the first day of hunting the temperature was down to 5 above and the warmest 15 above. So far this year we have had a much higher average temperature, considerable rain and an occasional snow fall that was of short duration. Today, the beginning of the deer season, the ground is bare and the temperature hovers around 30 degrees at noon and 21 at night. Last year there was at least a foot of snow on the ground on the opening day of hunting and more snow falling. In fact the weather last year was quite blizzardly and the temperature near zero.

Mr. and Mrs. Ned Steepe and son Bobbie of Roscommon were callers at the home of Henry Jordan and family Sunday and they with the latter visited Mr. and Mrs. Chester Lozon in Maple Forest.

Mr. and Mrs. Arthur VanNatter of Vanderbilt were callers at the home of N. VanNatter here Tuesday.

Mrs. Roy Barber and son Carlyle left Tuesday evening for Bay City where they will make their home. Mr. Barber left the latter part of last week.

Mrs. A.J. Joseph returned from Saginaw Saturday where she had been visiting friends for several days.

Carl Mickelson of Mason arrived in town Tuesday and together with Oscar Hanson and Charles Fehr, left for Sunrise Club on the AuSable to hunt deer.

Little Creva Hewitt is "enjoying" an attack of chickenpox.

James Mulhall, formerly of Grayling, but now operating a lumber yard at Owosso, was on one of those who suffered losses in last Sunday's cyclone.

Barney Kropp, living a half mile north of town, will put in a forty acre orchard next spring.

We lost all our snow last week but it looks now as the "Beautiful" had come to stay for winter.

Charles Stannard has been appointed as night watch to relieve Mike Brenner, who has been granted a leave of absence until January 1st.

Ten degrees above zero at Dallas, Texas, last Monday morning. We only beat them by one degree, even though we are nearly two thousand miles further north.

A new cancelling machine has been installed in the Post Office. Letters are fed between two wheels, which are operated by a crank, and they come out on the opposite side too quick to mention, all postmarked and their stamps cancelled. Their old beef-steak pounder will probably be relegated to the curio.

Fred Irland is negotiating the purchase of another forty acres to add to his holdings along the AuSable River.

Loving Baby Haters

A few of the leading liberals defeated in last week's election blamed their defeat on spreaders of hate. They say they were branded "baby murderers" because they would not take a stand against abortion. They branded groups like "Right to Life" and "Moral Majority" as hate groups for exposing their voting records and their moral stand on abortion. One reputable leader has publicly stated he plans to organize and fight "head on" these moral groups.

It is interesting that those who labor to end the legal killing of one and one-half million human lives a year are branded as spreaders of hate. Do they mean to imply that those who support legal abortion are spreaders of love? Is

there no hate in the heart of the mother who kills her own baby? Is there no hate in the heart of the doctor who performs the act? Is there no hate in the heart of the government leaders who refuse to stop this legal murder?

America may soon end the most unjust war she ever fought. Our war dead are buried by the millions in unmarked graves. Our current loss of human life runs at one and one-half million persons per year. If this war is not ended soon, it will begin to effect our national workforce and economy. How can we afford to lose over one million potential workers and taxpayers per year? As the workforce shrinks who shall care for the growing number of elderly retired persons? America is already paying a price for unjust war against our own flesh and blood.

At what point does human life within the womb become worthy of love? We believe this life God gave at conception is worthy of love from the point of beginning because God gave it. Those of us who love babies, hate abortion. We do not hate people. We do not hate baby-haters. We still love baby-haters in spite of their sin. Baby haters need to know the love of our Lord Jesus Christ. Baby haters need to receive forgiveness for their sins and relief for their guilty consciences.

Our Lord Jesus Christ said it so well: "Thou shalt do no Murder." Matthew 19:18. (adv.)

Seek Help To Prevent Damage To Power Lines

Cadillac—Sportsmen's clubs, conservation organizations and private citizens were asked this week to help prevent damage to power line insulators.

W.C. Allen, district manager of Consumers Power Company's northern region Cadillac district, said that the onset of deer hunting season usually brings a sharp increase in gunshot damage to insulators.

"True sportsmen don't use insulators for target practice," Allen said, "and the peer pressure they can exert on less thoughtful hunters could save thousands of customers from power outages."

Consumers Power and its customers have paid nearly \$400,000 since 1975 to replace thousands of insulators damaged by gunfire. Last year alone, almost \$73,000 was required to replace 1,193 insulators.

"But the cost of replacement is not the only penalty paid. Last year, more than 75,000 customers were without service, some for up to six hours, because of gunshot damage to insulators. In one case, emergency generators had to be brought to several homes in Roscommon County where residents were dependent on life-support systems."

Consumers Power offers cash rewards of varying amounts for information leading to the arrest and arraignment of those who cause power outages. Consumers Power serves more than 1.3 million electric customers in 61 counties in lower Michigan.

First Savings Merges

Final approval for a merger between First Savings and Loan Association of Saginaw, VanBuren Savings and Loan Association and Lowell Savings and Loan Association has been received from the Federal Home Loan Bank Board in Washington, D.C.

According to Richard E. Schenck, Chairman of the Board and Chief Executive Officer of First Savings, "the long months of waiting for final approval have finally come to an end. After months of negotiation and preliminary preparations during 1979 and early 1980, it is an exciting moment for all three associations." Schenck also stated that "the months of waiting will be worth it when one considers the benefits for the members of all three associations. Expanded services will be made available to thousands of present and future customers and the expertise from three successful associations will be joined into one, progressive organization." He also emphasized that all present employees of VanBuren and Lowell Savings would remain and that the service their respective customers have grown to expect over the years will be continued.

Crawford County
Crawford County Court House
Grayling, Michigan 49738

Contact: Jan Cornell (517) 348-5584

To All Interested Agencies, Groups and Persons

The above named County proposes to request the U.S. Department of Housing and Urban Development to release Federal Funds under Title I of the Housing and Community Development Act of 1974 (PL 93-383) to be used for the following project:

County Wide Housing Rehabilitation and Community Facilities Improvement

To rehabilitate housing, street paving and road improvements Village of Frederic, Grayling Township, Grayling City, Crawford Co., Michigan \$1,200,000.00

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly, the above named County has decided not to prepare an Environmental Policy Act of 1969 (PL 91-190).

The reasons for such decision not to prepare such Statement are as follows: The impact of the proposed project activities on the Environment is negligible and, where such impact exist, they are of a beneficial nature.

An Environmental Review Record respecting the within project has been made by the above named County which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for Public Examination and copying, upon request, between the hours of 9:00 a.m. and 4:00 p.m.

No further environmental review of such project is proposed to be conducted, prior to the request for release of Federal funds.

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the County to the office of the undersigned. Such written comments should be received at the address specified on or before November 28, 1980. All such comments so received will be considered and the County will not request the release of Federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.

Grayling Middle School News

PICTURE RETAKES: Students that did not have their picture taken earlier this year will have the opportunity to do so on Thursday, November 13, 1980 in the afternoon session. Students that need retakes (because of photographer error) will be scheduled for this time also. Students are to pick up an envelope in the office, fill it out completely (name, grade, package desired, etc) and place the correct amount of money in the envelope. Make all checks payable to "Studio of Wonders".

MONTHLY BULLETIN: Because of the financial cutbacks that the district has experienced this year one of the areas of cutback for the middle school will be the monthly bulletin. Parents and guardians will still be updated but we will have to use resources that are available. All important events for the middle school will be put in the weekly middle school news column in the Crawford County Avalanche and broadcasted over radio stations WGRY and WQON. Students will hand carry short reminders of the events home the day before the event will take place.

REMEMBER: The middle school is collecting post ceral proof of purchase seals to purchase much needed physical education equipment. Seals are starting to come in, but slowly. Remember to support this very worthwhile program by sending the seals to the school with your child or send to Mrs. Ann Doty at the middle school. Your support will be greatly appreciated.

TOURNAMENTS: Tournaments will be held Monday through Thursday. Championships will be determined on Wednesday and Thursday evenings. Game time is 6:30 p.m. each evening. A trophy will be awarded to the champion from the 7th and 8th grade. Admission is \$1.00 for students and adults, senior citizens, and children under six will be admitted free. All family passes will be honored. Come on out and help us support a great group of girls!!! See you at the game.

UPDATE: Mrs. Ann Doty and Coach Don Ferguson attended the MAHPER Physical Education conference at Traverse City this past week and came back with many new and innovative ideas for our students for the coming semester.

Boys Basketball practice for the 1980-81 season will begin Friday, November 14, 1980 for 8th grade and Monday, November 17, 1980 for 7th grade. A signed doctor's physical card must be turned in before the boys can practice.

IN MEMORIAM

In fond remembrance of Paul Dawson, who died November 15, 1979.

...Not dead, not sleeping, not even gone;

But present still

And waiting for the coming hour of God's sweet will.

Lord of the living and dead Our Savior dear,

We lay in silence at thy feet This sad, sad year.

We miss him deeply, Paul's wife, Dorothy and his three daughters, Jackie, Karen and Jean

ABWA Fashion Show Success For Scholarships

The American Business Women's Association presented their 8th Annual Fall Fashion Show at the Holiday Inn of Grayling on Thursday, October 23rd. The theme for the evening was "A Family in Grayling". Wayne Hindmarsh of WQON Radio, master of ceremonies for the event, opened the show by modeling a stunning tuxedo from Olson's of Grayling.

The audience was pleasantly surprised to find such a variety of fashions available in their home town. The family settings gave the merchants a wide scope for their styles for men, women and children. Outfits for going to church, shopping, social gatherings, sports, business, evenings at home...and of course the upcoming holiday season were beautifully shown by all the models. The attractive display of colorful autumn leaves and lush green Christmas trees arranged by Flowers by Josie provide a stunning background for the models. Jewelry fashions were a new addition to the style show.

The audience was treated to over fifty doorprizes by the more than generous donations of the merchants of Grayling. The American Business Women's Association is grateful and appreciative. Bob Harris, band director, can be very proud of the high school Jazz Band for the excellent performance at intermission. They were enjoyed by all. The highlight of the evening was the grand finale...the "Wedding". The bride, her attendants, flower girl, and mothers of the bride and groom were beautifully dressed in gowns from Francine's of Gaylord. Francine's Bridal Boutique certainly provided a wonderful array of wedding finery. The groom, groomsmen, ring bearer and fathers of the bride and groom were a perfect complement in tuxedos from Olson's. The delicate silk flowers made by Flowers by Josie were outstanding. The wedding music from Al's Shirt and Music Shop added the finishing touch to the grand finale.

Through the generosity of the financial institutions of Grayling and several members of ABWA the advertising campaign for the style show was a success.

The ABWA Fall Fashion Show is the major fund raising event for the American Business Women's Scholarship Fund. ABWA is a national organization that provides scholarships for women all over the country. Applications are received from high school seniors and women of all walks of life. Scholarships are awarded with consideration going to those in greatest need. Corrie Meech and Jeanine Kay Meadows are ABWA Scholarship recipients at the present time.

Ways and Means chairman, Pauline Petrosky, gave special thanks to her committee and all participating merchants. ABWA is grateful to Laurines, Ben Franklin, Country Denims, The Village Shop, Al's Shirt Shop, The Carousel, Olsons, Mercantile, R & H Sports, Nene's Nook, The Icehouse, Wiebers Jewelers, Davis Jewelers, Flower by Josie and to Francine's Bridal Boutique for their cooperation and help in making this 8th Annual Fall Fashion Show a successful event.

GHS Students For Reagan

In a mock election held at Grayling High School on October 31, 1980, Ronald Reagan won a landslide victory by overpowering his opponents by a vote of 195 to 75 for John Anderson and 67 for Jimmy Carter. To prepare the student body for the election, select students presented the views of the three

major candidates. Presenting the Carter viewpoint were Tim Sloan and Holly Nunn. Reagan was represented by Joan Albright and Mandi Stillwagon, while Jay Schrader, John Krasenka and Mary Jo Bonkowski spoke for Anderson.

In order to cast a ballot on election day, a week was set

aside for registration. Sixty-eight percent of the student body registered at this time. Students from the National Government Class conducted the entire mock election. "The students got a kick out of planning and carrying out of the mock election. We were familiarized with the voting process and had fun while learning," said Jane Stamm, a GHS junior.

Punch card voting machines, which were borrowed from Grayling Township, were used on election day. "We were pleased to assist the government class in their mock election. We appreciate the opportunity to encourage young citizens to take part in their local, state and national functions," said Beth Wieland, Grayling Township Clerk. Seventy-nine percent of those registered voted for the candidate of their choice.

Howard Lehti, GHS Government teacher, was quoted as saying, "By providing students with these experiences. It is hoped that young people will become involved in the political process."

Parents Helping Kids

by Peter Ingvarsson

This is the theme adopted this year by the Title I Parent Advisory Council at their first meeting on November 4. The council believes that many parents would help their kids at home if they just knew where to start and who to ask for help. Many parents have felt the frustration of knowing that their child was capable of reading better but they just weren't sure of the best way to help their child read better. However, the council also feels that parents and schools working together can provide a great deal of help and support to each other. The goal of "Parents Helping Kids" is to give parents the support they need to make the home an enjoyable place to learn, too.

As State and Federal Programs Facilitator I am also involved in this parent advisory council. My role is to help make parents aware of the services that Title I and Article 3 can provide for eligible children. Beyond that, I will provide ideas, articles, training, and people from the community as well as the Department of Education to help the council meet its goal. In short, whatever I can find I will use to help parents who want to help their kids overcome learning problems at home.

At our next parent advisory council meeting on December 2 we will be going through the "Let's Read" program that June Brown has used so successfully in Detroit. We will be discussing how parents can use this program with their own children at home. All interested parents are welcome. The date is December 2 at 1 p.m. in the basement of the central office. If you have any comments or questions, please call Peter Ingvarsson at 348-7641.

Frederic News

by Eva Hulbert

Our Senior Citizen Satellite dinner for Frederic and Maple Forest was well attended, Friday at the elementary school. With 56 for dinner. That is great. Our guest Larry Olliffe of Top O Michigan Rural Electric Co. on the subject of "Energy Conservation" was very interesting. Some of you didn't get the free packet Mr. Olliffe had given out he said he would see we get more and I'll see you get them. Thanks to our nurse Pauline Henion and Ellie Lozon, for taking the blood pressure and Mrs. Violet LaFountain, Vi Middleton helper and the hostess Rose Sayles and Eva Desnoyers. To Lora Gould, Agnes Nelson, Eloise and Howard Schmidt for serving the dinner. And a big thank you to Dave Englund. Outreach Eva Hulbert.

Mrs. Kenneth Allen visited a few days last week at her sister Mrs. Esther Gibbons at Ortonville, Michigan. Mrs. Gibbons returned home with Mrs. Allen where she will be visiting her sister Mr. and Mrs. George Lodge.

The Ladies Missionary meeting was held at the home of Mrs. Gerry French, last Thursday evening.

Mr. and Mrs. Charles Lodge and family of Union Lake spent weekend before last with his parents, the George Lodge, also visiting his Aunt Florence Leng at Timberview Village.

Mr. and Mrs. Phillip Lodge and Mrs. Clara Acree of Mansfield, Ohio and Charles Lodge of Upper Sandusky, Ohio, brothers and sister of George Lodge spent last week at the Lodges and also visiting their sister Florence Leng who is at Timberview Village.

Mr. and Mrs. Walter Desnoyers, my Parents and I had a wonderful time at the Open House held at Timberview Village Sunday, seeing and meeting old and new friends. We had a tour of the home, Refreshments were served. The folks who live there were really enjoying themselves.

Deer season coming up "Take Care" Good Luck to you hunters.

Orange Whip

When the children come home from school ready for a snack, suggest orange whip. Just blend together two parts orange juice and one part vanilla ice cream and it's ready.

Editor's Mailbox

Another election has passed and I'm grateful to the many people of the 103rd District who saw fit to return me to Lansing to work for them in the House of Representatives.

The opportunity to serve has been extremely rewarding. I truly enjoy my many contacts and friends and will continue to meet the day to day challenge of legislative life with enthusiasm.

As with any job, though, some burdens accompany the joys. The negative commentaries and untrue criticism of challengers seemed to permeate the political scene, especially this year, from the Presidency on down through the State House races—even to local campaigns. I found my campaign to be no exception. However, I tend to take such criticism in stride because the strong support I have always received is the real measure and proof of my performance.

Let me take this moment to personally thank you for giving me the opportunity to once again represent you in the Michigan Legislature for the next two years. Your confidence in me is greatly appreciated.

Sincerely,
Ralph Ostling

G.H.S. Fall Play Set For This Thurs., Fri., Sat.

"Summertime," the Grayling High School Players' fall drama, will play for area audiences this Thursday, Friday, and Saturday, November 13, 14, and 15. In the lead role of the Young Man is junior Mark Hamilton. Seniors Steve Kucharek and Gussy Konopnicki will be seen in the supporting roles of his Father and Mother. They also will be joined by a cast and crew of very talented underclassmen.

Junior Cathy Diedrich, who plays the young man's girlfriend, is the daughter of William and Maxine Diedrich. Cathy aspires to become a doctor, and her school curriculum reflects this career choice. But in her after-school hours she enjoys participating on the GHS ski team and in the Players' dramas, comedies and musicals.

Another junior, John Watkins, will be seen in the role of the Soldier in "Summertime." His repertoire of interests, in addition to acting, includes drawing, electronics, and film making. John plans to join the Marine Corps after graduation, so he figures that his role in the play is good experience. He has been im-

pressing Grayling audiences with his acting ability since 9th grade, when he was seen as one of the sons in "The Rainmaker." Since that time, he has had leading roles in "Brigadoon," "The Mouse That Roared," and "The Night of January 16." John is the son of Robert and Patricia Watkins.

Seventh grader Kevin Reynolds plays a dual role in "Summertime," the young man as a little boy and a neighbor child. Although Kevin is still in middle school, this is not his first performance in a high school play. He also appeared in the musical "Lil Abner," in 1977. Kevin, whose favorite school subject is algebra, enjoys acting in and seeing plays in his free time. He has had five years of Kids' Theatre experience, and he often goes to plays with his parents, Kent and Mary Ann Reynolds.

Sophomore George Morse, another veteran actor of Kids' Theatre and the GHS Players, will not be seen on-stage in "Summertime." Instead, he worked as Student Director, so most of his job will be over by opening night. During the performances, he will act as Stage Manager, the person responsible for seeing that all activities backstage run smoothly.

George, a trumpeter with both the GHS Band and the local Jazz Band, enjoys music and drama in his free time. He was seen as a soldier in "The Mouse That Roared" and as Benny Southstreet in "Guys and Dolls." "Mostly 'idiot roles,'" according to George. He did go on to state, "Contrary to popular belief, I was not type-cast in those parts." Certainly not: son of George and Lorna Morse, George is an honor student at GHS.

Sophomore Tim Taylor is another student who is valuable to a play, both on-stage and off-stage. In "Summertime," Tim is acting as Lighting Director and head lighting technician. His favorite classes at school are metals and band, in which he plays the french horn. After graduation, he plans to attend Ferris State College, to study to become a machinist. In his spare time, Tim enjoys working with steam engines. The son of Howard Taylor and Sandra Taylor, Tim has been acting on the Grayling stage since 5th grade. His most recent role was gangster Nathan Detroit in "Guys and Dolls."

Tickets for "Summertime" are available at the Grayling Mercantile, Flowers by Josie, and Mac's Drugs, or from any of the cast members. Performances are at 8:00 p.m. on November 13, 14, and 15, in the Joseph Stripe Auditorium at Grayling High School.

Annual Harvest Party at Elmira

St. Thomas Aquinas Church of Elmira is holding its annual Harvest Party, Saturday, November 15, at 8:00 p.m. in its Church Hall.

The following day, Sunday, November 16, the young people of the Parish are offering a spaghetti supper served from Noon to 6 p.m. at St. Thomas. Spaghetti, hot bread, salad, refreshments and dessert will be offered at a cost of \$3.50 adults; \$2.00 children 11 & under or \$10.00 family plan.

A Christmas Bazaar table featuring hand crafted Christmas items at very reasonable prices will be on display during the dinner. All are invited to attend these events.

Postal Inspectors Step-up Efforts Against Work-at-Home Swindles

The United States Postal Service recently issued a temporary restraining order halting the delivery of mail containing money addressed to four San Antonio, Texas companies. The American Association of Home Income Programs (AAHIP), Consolidated Reliance Agency (CRA), Financial Advisors Services (FAS), and The Ladies' Financial Security Program

(LFSP) had been misrepresenting work at home projects in violation of Title 39, United States Code, Section 3005, the False Representation Law.

An example of these promotions is the AAHIP which advertised that for a \$15 application fee, it would "guarantee" a weekly income of \$358.88 for stuffing envelopes. The Postal Inspection Service, the law enforcement arm of the U.S. Postal Service, has repeatedly warned consumers to be aware of advertising claims that work performed at home, requiring little or no special skills, can bring you substantial paychecks. These promotions and others promising thousands of dollars in just a few weeks are usually aimed toward senior citizens, shut-ins, the unemployed, and homemakers, who hope to supplement their family income.

Most work-at-home promotions cannot guarantee a regular salaried employment or a market for the product. They will require you to invest your

money before explaining how the plan works. Finally, the work you are asked to do often continues the fraud by getting others involved or "Do unto others as you have been done to."

Postal Inspector in Charge L.O. Poindexter, Detroit, Michigan, who heads the Postal Inspection Service activities in Michigan and Indiana, offers some good advice. Poindexter said, "The Postal Inspection Service is responsible for investigating alleged violations of the Mail Fraud Statute. We want to prevent postal customers from being victimized by unscrupulous promoters who use the mail to carry out their fraudulent promotion." If you have any information about questionable work-at-home operations, or if you believe you have been the victim of a work-at-home promotion, he asks that you please contact your local Postmaster or write to the Postal Inspector in Charge, Post Office Box 33XX, Detroit, Michigan 48232.

Girl Scouts and Brownies Decorate For Halloween

This year many scary Halloween decorations are on display around town thanks to the Girl Scouts and Brownies of Crawford County.

Troop No. 2143 led by Jackie Parker decorated the windows of The Carousel with posters of pumpkins, witches, and black cats.

Robin Soder's Brownie troop has scary posters on display at the Ice House. They are decorated with ghosts and goblins!

Black and White Foodland has Cindy Green's troop No. 2009 poster's decorating their store.

Troop No. 2014 led by Janet Gorman has decorated Old Dam Party store with witches, goblins and scarecrows.

Tonnie Laurende's troop No. 2010 has a display of "spooky witches" flying in at Glen's Market.

Troop No. 2016 led by Norma Naour has Cornell's Real Estate and Insurance decorated with black cats, witches and pumpkins.

Junior Troop No. 2103 made pumpkin centerpieces which they took to Timberview Village where they also enjoyed a Halloween party!

Grace Goodale's troop has Goodale's Bakery decorated with ghosts hanging in one window and fat pumpkins in another window.

Former Resident's Husband Heads A.F. Military Airlift Command

BRIGADIER GENERAL MALL and wife, Vivian, welcoming a guest during a military social function. Mrs. Mall is the former Vivian Lea Fenton, a Grayling High School graduate whose parents, Mr. and Mrs. Jack Fenton, still reside in Grayling. (U.S. Air Force Photo by Staff Sergeant Byron O. Gittens)

When Pittsburgh's Bill Mall was commissioned into the Air Force in 1954, he had no intention of staying in past the required six years. But today, still on active duty, he wears a star on each shoulder as deputy chief of staff of Personnel for the Air Force's Military Airlift Command (MAC).

Brigadier General William J. Mall, Jr. was born and raised in Pittsburgh. The son of the late William J. Mall and Margaret Mall of Glenshaw, Pa. has kept close ties with his home city. Last year in Pittsburgh, November 10th was designated "Bill Mall's Day" and the mayor awarded him the Key to the City.

Even before he was graduated from North Catholic High School, Bill Mall had a dream; he wanted to fly. At the University of Pittsburgh he completed two years of Army military studies, then enrolled in advanced Air Force ROTC and applied for pilot training af-

ter training and earned his coveted wings in 1955.

After several years in the Air Force, the tanker and bomber pilot was faced with deciding whether to make the service a career. He studied the job market carefully.

"At the time, the best opportunity for flying was in the Air Force and the kind of responsibility I got early-on as a junior officer couldn't be matched by civilian companies," he said.

During his 26 years in military service, the general has flown aerial tankers, strategic bombers, forward air control aircraft, and MAC's C-141 Starlifter as well as the giant C-5 Galaxy. He flew combat missions during the Vietnam conflict and had an assignment to Thailand. He also worked with the Joint Chiefs of Staff as an operations staff officer in Washington, D.C.

Brigadier General Mall became MAC deputy chief of staff for Personnel in March

1979, the latest in a long string of MAC assignments.

From headquarters at Scott Air Force Base, Ill., MAC directs more than 88,000 civilian and military people and more than 1,000 aircraft at more than 300 locations in 23 countries.

As head of MAC Personnel, the general sees to the needs of the people in the MAC family. The Personnel Directorate is responsible for the command's people programs—including retention, promotions, assignments, training, and education.

General Mall believes MAC personnel find it easy to identify with the MAC mission. "They're actually out doing a real world mission, rather than just training for it."

He emphasized his point by saying, "MAC is the backbone of deterrence and we do the same thing in peacetime and wartime. We just do it at a different pace. So I think that MAC is exciting because of the varied missions and the fact that we

are the flying command in the Air Force. We do more flying per pilot than any other command."

MAC's airlift fleet includes C-130 Hercules and C-141 Starlifter transports, as well as the mammoth C-5 Galaxy. Additionally, the command contracts for long-term commercial airlift for the Defense Department. But airlift of troops and cargo is just one part of the command's responsibilities.

Other MAC missions include aeromedical evacuation, presidential airlifts, aerial search and rescue, weather reconnaissance, audiovisual services, and gathering and disseminating atmospheric and space environmental information.

The general has a very special person helping him with his demanding assignment—his wife, the former Vivian Lea Fenton, of Grayling, Mich. Mrs. Mall has played a big part in her husband's career because the general and his wife are a team. Mrs. Mall says that she, too, is concerned about improving the quality of military life, and is involved with many volunteer programs such as child care and family services.

"She is very, very supportive," said the general. "She is really sixty percent of the team."

In addition to their MAC "family," the Malls have three children—Michele, 17; Bill, 15; and Catherine, 6. Mrs. Mall explained that coping with the many demands of military life has been a group effort. "As a family, we've moved many times, but we're never alone. Air Force people are always quick to help and make you feel welcome. "We've shared a lot and grown together," added the oldest daughter, Michele, as the family gathered around the piano to sing "Happy Birthday" to 6-year-old Catherine. Mrs. Mall continued, "I think the adjustments are hardest on the children, especially leaving friends and changing schools with each move. But the travel has added to their education and they know they're contributing something to their country by their sacrifice."

The general has "sacrificed" in another way. A command pilot with more than 6,000 flying hours, his present responsibilities in MAC keep him out of the cockpit and behind a desk. The man who flew more than 900 combat hours in three types of aircraft during the Vietnam conflict is, for the present, limited to an occasional flight in a civilian aircraft at the local aero club.

General Mall's military awards and decorations include the Legion of Merit, Bronze Star Medal, Meritorious Service Medal with one oak leaf cluster, Air Medal, Joint Service Commendation Medal, Air Force Commendation Medal with two oak leaf clusters, Air Force Outstanding Unit Award ribbon with two oak leaf clusters, Combat Readiness Medal, National Defense Service Medal with one bronze service star, Vietnam Service Medal with four bronze service stars and Republic of Vietnam Gallantry Cross with palm.

The Malls agree that for the most part, their life in the military has been full and rewarding. "One thing's for certain," said the general, "it's never dull!"

Partello Wins at Lake Superior

Burt Partello, state champion wrestler for Grayling High last season, is doing his stuff on the pads this year for Lake Superior State College at the Soo.

Wrestling at 134 lbs., Partello has six points for the "Wrestling Lakers" so far this season, owns a 1-1-0 record, and is a permanent fixture on college squad.

Partello won by a pin in the school's most recent match against Lakehead University, Thunder Bay, Ontario, and had coach Jim Fallis saying, "our newcomers really made the difference in the victory." The Lakers won six of ten weight classes to win the match, 33-16.

Partello's only loss came against Lakehead Wrestling Club, a match Lake Superior State won, 30-9.

District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court during the past two weeks.

Christopher George Free-land, 20, Midland pleaded guilty to unlawful use of marijuana and was fined \$205 or 30 days in jail.

John Raymond Wright, 28, Grayling, pled guilty to an impaired driving charge and was fined \$255 or 14 days in jail.

Wayne Allen Fye, 35, Grayling pled guilty to a charge of impaired driving and was fined \$305 or 30 days in jail.

Beverly K. Nicolais, 27, Grayling, pled guilty to a charge of larceny from a building and was fined \$45 or five days in jail and placed on probation for one year.

Kevin James Haberland, 18, Frederic waived preliminary examination and was bound over to Circuit Court on a charge of attempted larceny in a building. A \$1,000 personal bond was set.

A charge against John Alvin Hoffman, Roscommon, of larceny of property of a value over \$100 was dismissed on a motion of the Prosecutor's Office. The defendant was cleared of any involvement.

W.O.T.M. News

We had a meeting Monday, Nov. 3rd. Where were all of our members? It seems to me our members would be in here trying to help our new officers out a little, so they could get their awards, after all if it hadn't been for all the members working with the past award winners you wouldn't have gotten your awards. I think you members had better stop, and start thinking back, what do you think? Come to the meetings and give your new officers a helping hand.

It's time we show appreciation to all those people that helped out with the kid's Halloween party, also for the adult party.

Ladies we have a meeting the 17th of Nov. at 8 p.m. Lets try and have a really good turn out, and let the new officers know we're standing behind them. What do you say?

"I DARE YOU" RECIPIENT—Deanna Hubbard, daughter of Mr. and Mrs. Russ Hubbard of Grayling was presented the national "I DARE YOU" award from 4-H Youth Agent Dan Blackledge at ceremonies held at the groups Annual Awards Ceremonies held at the high school on Monday, October 27th.

Miss Hubbard was selected for the Award in recognition of excellence in character and well balanced personal development as well as leadership potential.

In addition to the national recognition received, the Award provides the recipients with a copy of William H. Danforth's book I DARE YOU and a personalized certificate. Mr. Danforth wrote the book out of his own experience. He dedicated much of his time and philanthropy to youth work. In the book, he challenges the readers to aspire to their highest potential, to attain constructive lives of service and citizenship and to be committed to excellence.

The "I DARE YOU" Award is made available by the "I DARE YOU" Committee of the American Youth Foundation in cooperation with the County 4-H office. This is the 40th consecutive year of the Award program. The American Youth Foundation, founded in 1924, is a not-for-profit organization dedicated to providing programs for youth. The aim of the Foundation is the discovery and enhancement of leadership skills and the promotion of balanced growth and development. (Joe Schrader photo)

300 Attend 4-H Awards

"LEADER OF YEAR"—Jean Schmidt (left) was presented the "4-H LEADER OF THE YEAR" award at the Annual Banquet, the honor for her efforts on behalf of the club's swimming program. Program Assistant Ann Stephenson (right) made the presentation. (Joe Schrader photo)

The first Annual Crawford County 4-H Awards Banquet was held at the high school October 27th with 300 parents, 4-H members, leaders and special guests in attendance.

Following the invocation by Robert Harrington, a potluck dinner was served with young ladies from the 4-H modeling/makeup club acting as hostesses. Cooking Clubs served dessert and a special 4-H cake was provided by Gertrude Lobsinger. Dinner music was provided by the AuSable River Dixieland Band.

Ann Stephenson, 4-H Program Asst., emceed the awards ceremony with help from Extension Associate, Lori Lobsinger. Shellie Warnars led the pledge of allegiance, Nate Kolb and Chris Brieffield, the 4-H pledge.

Daniel Blackledge, area 4-H Youth Agent, made a special presentation to Lori Lobsinger, called the "Squirrel Award", then gave a stimulating talk about how magic stimulates the lives of today's youth. Director Roy Spangler discussed the impact of tax proposals on the 4-H movement.

Nine leaders were presented first year pins, three received 2-year pins and three, 3-year pins. 4-H club members were then presented their membership pins by respective leaders. First year pins went to 125 members, with 19 receiving 2-year awards, six, 3-year pins.

Awards were made to "special achievers" by club leaders. Presentations were made to Jeff Cowie, Leader Dog for the Blind; Carrie Boddy, Small farm animals; Katie Tinker, dog care & grooming; Linda Goodale, swimming; Pam Callan, needlecraft and Ralph Opperman, Rockets.

Nancy Hatfield presented Don Hale of the Lions Club with a "Friend of 4-H" award for the group's support in providing food and medical supplies to the program.

A special presentation was made to Jean Schmidt for her time and efforts on behalf of the swimming program, both at Pine Knoll this past summer and now at the Hospitality House.

Daniel Blackledge presented Deanna Hubbard the very special "I Dare You" award, a national Youth Achievement Award.

Day Care For The Elderly

We are inviting all families to bring your elderly parents, or any person 60 and over to the Center each day for Day Care. This will be especially valuable to the family who both work and no one to stay with Grandma or Grandpa. Come and see us. You can drop them off around 8:00 a.m. on your way to work and pick them up again by 5:00 p.m. on your way home. We will read, play games, do small crafts, sing, rest, visit, go for short rides and of course EAT.

They will have a good time and will have something interesting to bring home to share. This service is only \$3.00 per day which includes a full noon meal and coffee breaks. \$15.00 per week is less than a baby sitter.

Those adults who are handicapped are invited too, for the day or by the week. Come and see us!

Thank You

I would like to thank all in the Lovells area who supported me in the Election.

Kirtland to Present "Superman"

Faster than a speeding bullet, more powerful than a locomotive. Able to leap tall buildings with a single bound. Look! up in the sky, "It's a Bird, It's a Plane, It's Superman!"

Yes, It's Superman; strange visitor from another planet, who came to earth with powers and abilities far beyond those of mortal man. Superman; who can change the course of mighty rivers, bend steel in his bare hands, and who, disguised as Clark Kent, a mild mannered reporter for a great metropolitan newspaper, fights a never ending battle for truth, justice, and the American way.

This year's Fall play at Kirtland Community College, promises to be an interesting evening of family entertainment. "It's a Bird, It's a Plane, It's Superman," will be presented on November 14, 15, 21, and

22 at 8:00 p.m. in the Kirtland Auditorium.

The play, based on the old comic book and television series, will contain many old and familiar characters such as Lois Lane and Perry White. Superma is portrayed in his famous image, fighting crime, saving lives, and flying through the sky with Lois Lane, whose life he saves several times. But she soon becomes the least of his worries as his problems begin to mount.

Like many other people, Superman's luck changes from bad to worse. Suddenly everyone seems against him. The Ling's can't find a job and the blame is put on Superman. Max Mencken wants a girl who has eyes only for Superman. And if being blamed for everything isn't enough, Superman is accused of being selfish

because he enjoys the publicity.

But keeping with tradition his luck gets even worse when Dr. Sedgwick not only plans an act of revenge for losing the Nobel Prize but also plots to reveal the identity of Superman! The sinister Max Mencken is also trying to find Superman's identity. And to top it all off the two meet and join forces to give Superman a real big problem.

Dr. Sedgwick arranges for Clark Kent to be lured to an old abandoned power station. Here he plans to find out if his idea is right. Will Superman's identity be exposed? Will Dr. Sedgwick get away with his plan? Will it ruin Superman? We'll find out on November 14, 15, 21, and 22 at 8:00 p.m. in the Kirtland Auditorium.

Frederic Community Library

We have received several new books at the library, and they are as follows: "Dolly" by Alann Nash. If any of you are fans of Dolly Parton this is the book for you. "The John Travolta Scrapbook" by Suzanne Munshower. This has clips of his movies. "Van and the Trucking Life" by Terry Cook. If any of you are interested in customizing your van or having it painted this book would be of interest to you. It has some fantastic pictures of van interior and exterior. "Karate" by Russell Kozuki. If you're interested in learning the arts of self defense. "Grease Machines and A Guide to Hot Rods and Customized Cars of the Fifties". This book has old cars. Very interesting if you are into this sort of thing or not.

We also have had several mystery books donated to the library. The are "The Big Man", "Guns" and "Blood Relatives" all by Ed McBain. Also "Murder with a Past", "Kill as Directed", "Death Spins the Platter", "The Four Johns" and "Blow Hot, Blow Cold" all by Ellery Queen.

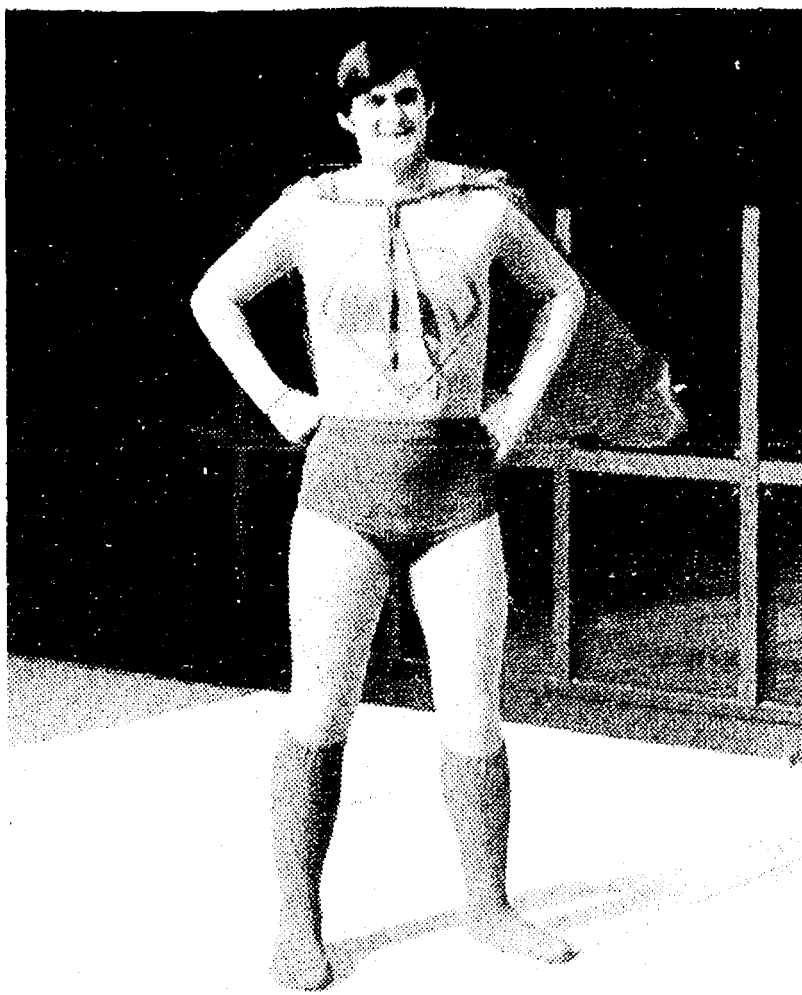

We are getting new books every day so watch for the library news and if we haven't put in anything that is of interest to you, perhaps we will in the future.

We have several new R.I.F. books but I'm afraid that we will be keeping them. There doesn't seem to be any kids interested in receiving a new book and believe me these are some good ones. So come on kids sign up and read five books and get a free R.I.F. book.

We are also still accepting the Glen's Market Grocery Slips. So if you have any, the library would be most grateful for the donation of them.

The library hours are 9-5, Monday through Friday.

Road Commission Minutes

October 24, 1980

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Richter presiding. Present were: Chairman Ervin Richter, Commissioners Grover Cason and Gloria Kraus, Engineer-Manager John Keir, and Secretary Lorna Bernard. Absent: None.

The minutes of the last regular meeting were read. Commissioner Cason made a motion to accept the minutes with corrections, seconded by Commissioner Kraus. All voted in favor, minutes approved.

William Bakewell appeared before the Board regarding a county road that goes across his property off Land O'Living Road. Mr. Bakewell requested that if the road were ever developed, would the Board consider putting the road on a section line.

The Board informed Mr. Bakewell a change in a road involves a hearing.

The Open House of our new office addition was planned for November 7, 1980.

The Board recessed for lunch and upon returning to the office, convened their meeting with a letter from the Department of Natural Resources requesting corrections at the Brine Well for continued operation.

Engineer-Manager Keir discussed the possibility of funding for edge painting for the 1981 fiscal year. The Board instructed Mr. Keir to follow up on the program.

The Board discussed the 1980 fiscal year audit of the Road Commission and authorized Robertson & Carpenters, CPA firm to perform the service.

There being no further business, a motion was made and supported to adjourn. All voted in favor, motion carried, meeting adjourned.

Ervin E. Richter, Chairman
Lorna Bernard, Secretary

The Background Of Integrity

There are millions of men in this world whose word is trusted — whose handshake is a binding contract — whose integrity others accept without question.

We've come a long way from the days when a strong man and a stout club were the social graces.

And this growth in man's capacity for integrity has paralleled his growth in religious expression.

Of course, the cynics will point to

men and nations who still live by the code of the cave man. Must we believe that the clock of progress has turned ... is running backward?

The sound, the sensible, the sincere still feel the strength of God's Bible in every handshake. With their children they are finding new spiritual opportunity and hope in the churches they cherish.

Are you with them? Are you, too, pushing forward the frontiers of faith?

ROAD COMMISSION OPEN HOUSE—Gathering for the official opening at the new offices of the Crawford County Road Commission were (from left): Board Member Grover Cason; Bernie Fowler, Grayling Twp. Supervisor; District No. 7 Commissioner Andie Neilson; Board Member Gloria Kraus; Larry Mattis, County Commission Chairman and John Keir, Engineer-Manager.

The project included remodeling of the former offices in addition to construction of the 2,700 sq. ft. facility, which contains two offices, a conference room, reception and rest area. The building was occupied last Spring. (Joe Schrader photo)

Northern Michigan College Enrollments Soar, Funds Assured

Enrollment at Kirtland Community College was expected to increase 28 percent, according to a recent news release from Gov. William G. Milliken, who said that federal funding has been assured to help Northern Michigan better cope with a recent surge in college enrollments.

Grants to significantly expand training facilities at Northwestern Michigan College in Traverse City and Mid Michigan Community College at Harrison were among \$648,775 in federal funds awarded to Michigan at Milliken's request, the announcement coming at a recent meeting of the Upper Great Lakes Regional Commission.

"Almost all of Northern Michigan's colleges and universities are reporting sharp increases in overall enrollments," Milliken said. These include some as high as 22 percent at Alpena Community College (from 1,695 to 2,082) and Kirtland Community College, where registration for classes rose from 1,275 to 1,638.

Milliken continued, "the recession which has forced many persons to go back to college for retraining or more education when they cannot find jobs, has been a major factor in the sudden increase of Northern Michigan enrollments. Cheaper tuition and other reduced costs at community colleges also are encouraging some students to stay closer to their homes and attend Northern Michigan schools. The

total enrollment gain among Northern Michigan Colleges is expected to exceed 2000 this fall."

Grants approved for area schools include \$150,000 to Mid Michigan Community College for expansion of the Vocational Education Center and \$91,775 for the Great Lakes Maritime Academy in Traverse City.

An additional grant of \$175,000 went to the Michigan Office of the Upper Great Lakes Regional Commission to help develop an annual investment strategy and to carry out a wide range of economy assistance programs for Michigan's 45 northernmost counties for the next fiscal year.

Microwave Cooking Classes Completed

The four-week series of Microwave Cooking Classes held in Grayling have been completed.

The series were developed by the Michigan State University Cooperative Extension Service. Thirty people participated in the classes.

According to Alice Beth Spiess, Cooperative Extension Service Family Living Education Program Assistant, the participants had gained more confidence in using their microwave ovens and incorporated many new ways and techniques in their cooking. It also helped a few homemakers in making the final decision on the purchase of a microwave oven.

The participants stated the classes helped them utilize their ovens much more efficiently.

Joyce Bassett, demonstrator from the Amana Corporation, emphasized the energy-saving aspects of microwave food preparation. She demonstrated meat cookery, egg and cheese recipes, vegetable preparation and desserts. Also covered were utensils appropriate to microwave cooking, do's and don'ts of microwave use and time and power recommendations.

Some of the foods that were prepared were: Golden Onion Quiche, Fancy Pistachio Nut Cake, Cheese Souffle, Impossible Pie, Ranch Beans, Whole Wheat Bread, Easy Rice Pudding, Munching Peanut Brittle and Broccoli-Rice Casserole.

The Cooperative Extension Service appreciates the help of the Crawford-AuSable High School in donating their facilities.

Also a special "Thank You" to Glen Electric and Furniture, Inc. who supplied the microwave ovens for the classes.

Another series of Microwave Cooking Classes is being planned for the first part of the New Year.

Anyone wishing to attend these classes, please contact the Cooperative Extension Service at (517) 275-5043.

On The Mark

A Sunday school teacher was trying to instill in her young class the joys of shouting "Hallelujah!" She asked, "What word do church members shout with great joy?" One youngster answered, "Bingo!"

Grayling Elementary School News

Miss William's kindergartners are working with the letter people. Miss Achoo, the only girl so far, and Mr. Funny Feet, Mr. Munchy, Mr. Noisy Nose and Mr. Beautiful Buttons. They blow them up and keep them. They also have cardboard with the letters of the alphabet on them. The only letters that they have so far are A, B, F, M, and N.

Mrs. Slater's kindergartners made Japanese lanterns. They hung them on the wall with strings.

In Mrs. Knibbs' second grade class, eight students from level 9 in reading are writing stories about their pets. They said in some stories that their cats and dogs are furry and cute. They also said that their dogs sometimes bit. The students names are Julie Jensen, Angel Hale, Claudine Allen, Toni Deponale, Truman Potter, Todd Millikin, Kirk Annis, Max Prosser and Matt Branch. Written by Heather Watts and Jill Brackebury.

Notice of Mortgage Foreclosure Sale

Default having been made in the conditions of a certain mortgage made the 29th day of October, 1974, by David D. Beckett & Lynn K. Beckett, his wife, as mortgagors, to the United States of America, as mortgagee, and recorded on October 29, 1974, in the Office of the Register of Deeds for Crawford County, Michigan in Liber 140 of mortgages on pages 68-71; on which mortgage there is claimed to be due and unpaid at the date of this Notice: Sixteen Thousand Nine Hundred Sixty Four and 02/100 Dollars (\$16,964.02) principal and Three Hundred Ninety-four and 78/100 Dollars (\$394.78) interest; no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default.

NOW, THEREFORE, Notice is hereby Given that on December 17, 1980 at 10 o'clock in the forenoon at the front steps (East side) of the Courthouse in Grayling, Michigan, that being the place for holding the Circuit Court for the County of Crawford, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges, of sale provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to-wit:

That property located in Crawford County, in the State of Michigan, Lot 15 of Ber-Mar Woods No. 1, a subdivision of part of the Southwest 1/4 of the Southwest 1/4 of Section 34, Town 25 North, Range 2 West, South Branch Township, Crawford County, Michigan according to the Plat thereof recorded in Liber 3 of Plats on Page 1, Crawford County Records. The redemption period will be one month from the time of such sale. Property may be redeemed by paying the amount of the bid at the foreclosure sale plus 9% interest and any unpaid encumbrances on the property from date of sale. Dated October 29, 1980. Mr. Edward A. Hoffman, Regional Attorney United States Department of Agriculture, Room 2920, 230 South Dearborn Street, Chicago, Illinois 60604, Attorney for Mortgagee. X. MISCELLANEOUS

19. Conference Session. Mr. Kent Reynolds and Mr. Mike Branch of Grayling High School reported to the Board on the effects of the revised high school attendance policy approved by the Board during

the 1979-80 school year. It was pointed out that the policy showed significant effects on reducing the number of unexcused absences for students of Grayling High School. While administration is not entirely satisfied with the attendance rate of the high school, they pointed out that this policy in conjunction with other activities to reduce unexcused absences is proving effective.

Dr. Diedrich presented information to the Board relative to proceeding with reconstruction of the Grayling Middle School. He indicated that as a result of a series of meetings with various construction management firms and architects it was his belief that the Board should schedule interviews with various firms and make selections as soon as possible so that the project can move ahead with all speed. It was further pointed out that by employing firms of this type at the earliest possible time, cost savings would be realized and needless delays avoided. The Board directed the Superintendent to schedule meetings in the high school library for purposes of interviewing construction management firms and architects. Its was the desire of the Board to make their final selection of a construction management firm and architectural firm at the special meeting of October 27, 1980.

High School student Gussie Konopnicki presented the Board members with a copy of the 1980 High School yearbook.

Dr. Diedrich reviewed correspondence from Mrs. Connie I. Victor to the State Board of Education in which an appeal was requested form

to the State Board of Education in which an appeal was requested from the decision of the combined C.O.O.R. and C.O.P. Intermediate School Districts with respect to the Heart Lake land transfer request. It was pointed out that the appeal, from a unanimous decision of the two boards, would be heard by a State Hearing Officer in Lansing. At this time it is not clear as to when the appeal will be heard, however, it is anticipated that it will take place sometime during the next four months. Several board members expressed a desire to attend this hearing when it is conducted.

XI. ADJOURNMENT

Grayling Township Board

Regular Meeting October 14, 1980

Members present: Bernard Fowler, Elizabeth Wieland, Floyd Millikin, Marvin Hallett.

Members absent: Evelyn Gardiner

Others present: Ernie Schoonover, Dave Shires, Norm Miller, Mike Hoag, Leon Webb, Bob Chappell, Cal Brenner, Suzanne Brenner.

Meeting was called to order at 7:30 p.m. by Supervisor Fowler. Motion by Millikin, supported by Wieland, the minutes of the Regular Meeting of 9-9-80 be approved as written. All ayes.

The Treasurer's report was given. Motion by Millikin, supported by Wieland, it be accepted. All ayes.

1. Notice of a hearing scheduled for Consumers Power Company by the Public Service Commission was received relative to reflecting charges or credits for changes in expense items on monthly billings.

2. The Senate Spotlight newsletter from Senator Mitch Irwin was received. Legislation affecting local government was reviewed.

3. Correspondence from Sheriff Joe White relative to initiating a detective program with the co-operation of all townships was reviewed. Fowler will discuss the program with the other supervisors in the county before a decision is considered.

4. A response request from Northeast Michigan Council of Governments relative to the Department of Natural Resources intent to apply for Federal Assistance from the Heritage Conservation and Recreation Service to undertake Phase II of the Manistee-AuSable Acquisition Project was received.

5. Notice of hearings scheduled by the Public Service Commission for Top O'Michigan Rural Electric Company relative to reflecting charges or credits for changes in expense items on monthly and seasonal billings was received.

6. Notice from the Department of Natural Resources was received relative to the Harbor Beach Property Owners Association application for a permit to dredge in Northwest Passage, Lake Margrethe.

7. A notice of Safety Inspection of the railroad crossing at 4-Mile Road was received from the Department of Transportation to determine whether flashers should be installed.

8. Notice of preliminary results of the 1980 Decennial Census was received indicating the preliminary population count is 4033 and the preliminary housing count is 2991. The Board feels the population count is still far too low. Fowler has contacted the Michigan Townships Association relative to assistance for rural townships in this matter.

9. Correspondence from a Property Owner relative to placing campers and mobile homes in Green Tree Acres Subdivision was reviewed. The Township has no jurisdiction in this matter as deed restrictions are a civil matter.

10. Fowler gave a resume of a meeting he attended at the high school with property owners relative to the proposed sites for construction of AIS homes. He later received notice by telephone that alternate sites were being pursued.

11. Fowler reported that information obtained on the Charter Township Act appears to be of little or no help in the matter of prohibiting annexation unless full time police and fire departments are created. More information is still being obtained.

12. Notices of Educational Seminars scheduled relative to Planning and Zoning workshops, Grantsmanship, and budgeting for small governmental units were received.

13. A request for co-operation in the community development and housing assistance activities pursuant to P.A. 18 of 1933 and P.A. 344 of 1945 was received. Motion by Wieland, supported by Hallett, to authorize the Supervisor to enter into a co-operation agreement with the County of Crawford in the planning and implementation of the Federal Housing and Community Development program. All ayes.

14. Fowler informed the Board he had received notice that Crawford County is applying to HUD for a \$400,000.00 grant for a power sub-station for the Weyerhaeuser Plant which upon repayment by Weyerhaeuser would be used to establish a revolving economic development fund. A request for \$100,000.00 will also be pursued through the Upper Great Lakes Regional Commission.

15. Cost estimates of 75 cents per square foot for a road project in Riverside Subdivision were obtained. Board has no objection to Fowler proceeding with the creation of a special assessment district for the private road project as requested.

16. A copy of the correspondence to Mrs. Virginia Babac from the Prosecuting Attorney was received.

17. Fowler reported the Hill property recently condemned by the Township has been taken care of by the property owner.

18. A report of Building Inspections and Ordinance Enforcement was received, reviewed, and placed on file.

19. The report of Assessing Functions was also received, reviewed, and placed on file. The State study of commercial property indicates an assessment ratio of 50%.

20. Correspondence from County Treasurer Joe Wakeley relative to appreciation for support of the Ambulance Fund was received. Fowler reported our second and final installment of \$4310.00 was made.

21. Fowler reported that he was attempting to have bench marks that were removed along North Down River Road when the storm sewer was installed re-set.

22. A report from the Planning Commission indicated a Public Hearing is scheduled for October 20, 1980, on the revision of the Zoning Ordinance.

23. The Federal Revenue Sharing Budget was reviewed. Motion by Wieland, supported by Millikin, to amend said budget by increasing line item 17-revenue to \$10,428.49 and line item 76-expenditure to \$10,428.49 to reflect the actual Federal Shared Revenues received. Roll Call: All Ayes. Gardiner-absent.

24. The fire department expenditures were reviewed. Motion by Millikin, supported by Hallett, to transfer the balance of the Federal Revenue Sharing revenues to the General Fund for the fire department expenditure. Roll Call: All Ayes. Gardiner-absent.

25. Fowler informed the Board of the State Boundary Commission's decision relative to the annexation proposal.

26. Fowler also reported the airport road project was completed. The Board made no objection to a request for funding assistance within the original budget for an additional parking area project.

Motion by Hallett, supported by Millikin, the bills as presented on vouchers 4501 through 4531 in the amount of \$15,184.41 be approved for payment. Roll Call: All Ayes. Gardiner-absent.

Motion by Millikin, supported by Hallett, meeting be adjourned. (8:20 p.m.) All ayes.
